WHAT THE COMPANY GETS

A benefit used down to the last euro, fewer stiff backs from desk work, and a day the team talks about.

WHAT YOU PROVIDE

A room of about 3 × 3 m and a list of names with time slots. For massage through clothing a quiet corner is enough. Nothing to buy or set up.

REFERENCE

SOITRON, s.r.o. (IT, 200+ employees, Bratislava) — 5 repeat visits, written reference letter from HR.

WHO COMES

Michail Yavorov — certified sports massage therapist (qualification 69-037-M), senior therapist of the Zdravé masáže network. A practised team for larger bookings.

NO RISK

The first trial massage for HR and management is free. The date can be moved or cancelled free of charge up to 48 hours before the visit.

PAYMENT

By invoice. Many companies pay from their social fund — we prepare the documents for accounting.

2. You send the list
